## **Health Information Collection and Use Consent Form**

The FristGP@wallsend collect personal and health information about individuals for the principle purpose of assisting patients manage their health and improving patient health outcomes generally. we require you to provide us with your personal details and a full medical history, so that we may properly assess, diagnose, treat and be proactive in your health care needs. We may disclose personal and health information to other health care providers in line with our principle purpose and for research and quality assurance activities to improve individual and community health care and practice management. Some information is collected as part of the necessary process of running a business in Australia . For research and quality assurance activities to improve individual and community health care and practice management. Usually information that does not identify you is used but should information that will identify you be required you will be informed and given the opportunity to “opt out” of any involvement. Further we are required to use various government identifiers. For patients, these identifiers include Individual Healthcare Identifiers (IHI), Medicare card numbers, Department of Veterans Affairs (DVA) file numbers, concession card details, and Safety Net Numbers. We may use your personal information and disclose about you to various government departments and other entities for billing those entities for the health services that we provide to you. You can obtain our privacy policy on the FirstGP website or request a copy of our privacy policy, which includes information about the collection, use and disclosure of your health information. We require your consent to collect personal information about you and to use the information you provide in the following ways. For reminder letters which may be sent to you regarding your health care and management. You can decline to have your health information used in all or some of the ways outlined above but it may influence our ability to manage your health care to provide the best outcome for you. If you request in writing for information about you to be disclosed to third parties, we may elect to do that, and we may charge the third party for this information. • I take full responsibility to provide accurate information and update urgently if any changes to the information.

- I have read the information above and understand the reasons why my information must be collected

- I understand that I am not obliged to provide any information requested of me but failure to do so may compromise that quality of health care and treatment given to me

- I am aware of my rights to access the information collected about me, except in some circumstances where access may be legitimately withheld. I will be given an explanation in these circumstances.

I give consent to be part of national recall and reminder program such bowel screening, breast screening and cervical screening etc.

- I understand that if my information is to be used for any other purpose other than set out above, my further consent will be obtained.

I consent to the handling of my information by the practice for the purpose set out above subject to any limitations on access or disclosure of which I notify this practice.  
OR I am unsure and would like to discuss this further with someone from the medical practice before I sign.
